

BASKETBALL

PLAYER DEVELOPMENT

BOYS & GIRLS 6-13 YEARS

Coppermine Basketball Player Development is the perfect environment for boys and girls to develop and improve their basketball fundamentals and game IQ. Ball handling and shooting drills are emphasized as players progress through different levels of our programs.

We encourage good sportsmanship and strong work ethic while achieving goals!

PLAYER DEVELOPMENT BASKETBALL CLINIC (U7-U13 Boys & Girls)

This clinic is designed to improve players' ball handling, passing, perimeter moves, shooting, defense, and agility as they continue to play or gear up for their upcoming season. Players will raise their level of play through skill training, repetition and small-sided games. All players will be divided by age and skill level for optimal training.
