Health Guidelines: Participants and visitors will be pre-screened prior to entry. Select programs and classes will be drop-off only with limited guests. We recommend parents and legal guardians of high-risk participants consult with their child's medical provider to assess their risk and determine if attendance is acceptable. Face coverings, mask protocols and additional individual health precautions will be emailed to registered customers prior to the start of the session. No sick participants or guests may attend. Coppermine will follow all current health guidelines, recommendations and protocols.
