**BOYS & GIRLS 1½ - 4 YEARS**

Our high energy co-ed youth soccer classes build self-esteem and confidence based on a proven child development curriculum.

### WHAT IS LIL' KICKERS?

Each child explores their senses and stimulates their imagination with this nationally renowned curriculum based Lil' Kickers Program. These child development soccer classes are centered around fun, promoting self-confidence and learning the world's most popular sport.

#### **BUNNIES (18-24 Months, Parent/Child Class)**

Together, toddlers and parents explore basic soccer and fundamental skills through the use of sensory tools. Classes include parachute activities, bubbles, lots of fun games, and the cone towers!

#### **THUMPERS (25-35 Months, Parent/Child Class)**

Parents and kids play organized games together to develop listening skills, balance, ball skills, and foot-eye coordination. This class helps children transition into our Cottontails class.

#### **COTTONTAILS (2.5-3.5 Years, Adult Interactive)**

Build fundamental skills such as balance, coordination, and ball skills in a fun environment. As children progress, parents can take a less active role, helping their child transition into Hoppers classes.

#### **HOPPERS (3-4 Years)**

Three and four year-olds get a fast-paced, fun exposure to the most popular sport in the world. Classes focus on foot-eye coordination, dribbling, scoring and balance.
