- University of Maryland (2008–2012).
- Top 5 in the ACC in 3-point field goal percentage (37%) and free throw percentage (84%).
- Player of the Year & All-Metro for 4 years in high school.

### PLAYER DEVELOPMENT BASKETBALL CLINIC (U7-U13 Boys & Girls)

This clinic is designed to improve players' ball handling, passing, perimeter moves, shooting, defense, and agility as they continue to play or gear up for their upcoming season. Players will raise their level of play through skill training, repetition and small-sided games. All players will be divided by age and skill level for optimal training.
