

BASKETBALL

BOYS & GIRLS 5-13 YEARS

Dribble, pass, shoot, and score in Coppermine's year-round basketball program. Our clinics will develop self-esteem and confidence in a fun and fast-paced environment while learning the fundamentals of basketball.

LIL' HOOPS 5-6 Years

Take it to the hoop! This fun and fast-paced class focuses on building confidence in an engaging and nurturing environment. Children learn the fundamentals of basketball, good sportsmanship and teamwork while developing their passing, dribbling, and shooting skills.

PLAYER DEVELOPMENT BASKETBALL CLINIC 7-13 Years

Player Development is perfect for those looking to improve their ball handling, passing, perimeter moves, shooting, defense, and agility. Players will raise their level of play through skill training and repetition. All players will be divided by age and skill level.

Health Guidelines: Participants and visitors will be pre-screened prior to entry. Select programs and classes will be drop-off only with limited guests. We recommend parents and legal guardians of high-risk participants consult with their child's medical provider to assess their risk and determine if attendance is acceptable. Face coverings, mask protocols and additional individual health precautions will be emailed to registered customers prior to the start of the session. No sick participants or guests may attend. Coppermine will follow all current health guidelines, recommendations and protocols.
